EDUCATION

Bachelor of Software Engineering
FPT University
2022 – 2026 **GPA 3.2 / 4.0**

SKILLS

LANGUAGES

ABAP, JavaScript, TypeScript, Java

FRAMEWORKS

React.js, Next.js, React Native, SAP Fiori

AI TOOLS

Claude Code, Cursor, Codex

SOFT SKILLS

Problem Solving, Teamwork, Communication, Adaptability

LANGUAGES

Vietnamese	Native
English	Intermediate

SUMMARY

Final-year Software Engineering student at FPT University with hands-on experience in SAP Technical development (ABAP, RAP, SAP Fiori), gained through FPT University's curriculum and OJT at FPT Software. Also familiar with frontend development, UI/UX implementation, and leveraging AI-assisted tools to improve productivity. Highly motivated to learn, research new technologies, and grow as a software engineer.

EXPERIENCE

FPT Software — OJT Trainee
Jan 2025 – May 2025

- Completed SAP ABAP training and ERP development fundamentals
- Developed and debugged ABAP reports, ALV reports and forms
- Practiced enterprise debugging and development workflows

FEATURED PROJECTS

GRADUATION PROJECT (ON-GOING)

Custom Notification Center – SAP Fiori Application — Team Member
SAP ABAP · RAP · SAP Fiori · SAPUI5 · OData · SAP HANA · AMC/APC

- Designed database tables and CDS views for authorization and notification data
- Implemented RAP behaviors for notification actions (Mark Read / Unread)
- Built Settings Business Object data definitions
- Configured background jobs (SM36) for scheduled notification delivery
- Developed Notification Details and Settings pages in SAP Fiori
- Configured Fiori Launchpad deployment and intent-based navigation

STARTUP PROJECT

Hengout – Location Recommendation iOS App — Frontend Developer
React Native · Expo · EAS · Cloudinary · Spring Boot · Microservices

- Implemented the entire mobile UI/UX from Figma design to production
- Developed core frontend logic and application architecture
- Implemented In-App Purchase (IAP) and handled App Store deployment
- Built offline-first chat architecture for improved reliability

★ **Awarded 50,000,000 VND Startup Potential Scholarship**

CERTIFICATIONS & AWARDS

- Certificate of Completion — On-the-Job Training · FPT Software
- Software Testing Certificate · FPTU & FSoft
- Honorable Student · Fall 2023, Spring 2024, Summer 2025, Fall 2025
- Coursera — 9 Certificates, including:
  - · Project Management Principles and Practices
  - · Software Development Lifecycle
